C   **Charles Boyd (CharlesB@Safechain.com)**   5/29/2020, 3:10 PM
at what time does compliance look at this?

K   **Kenzie Nalley (KenzieN@Safechain.com)**   5/29/2020, 3:11 PM
When we first receive the request, i forward the email that has the app, licenses and any other info to Compliance to
approve, and then they send the approval/denial back to me. I dont begin any further steps until they have
approved/denied. then i input in the system.
